Attn: 104 (e) Task

Dear Sir:

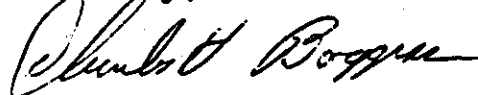

In reply to your request for information about the Artel Chemical Company at Nitro, West Virginia, we are sending all the records we have.

We hauled for Roberts Chemicals from 1959 to 1972, Fike Chemical from 1969 to 1979. We have no records of these shipments.

All hazardous materials we hauled for the Artel plant were from PB&S Chemical Company in St. Albans, WV. The shipping copies were turned in, at the time of delivery, to Artel.

As for the insurance, we carry only cargo and liability on our vehicles.

Sincerely,

Charles H. Boggess
